**Instructions to make your chatterbox:**

1. Cut out the black square
2. Fold the square in half lengthways and across the middle.
3. Turn the square over so the writing is facing down. Fold the four corners in to the middle.
4. Turn the square over again and fold the new four corners into the middle.
5. Fold in half so the questions face in
6. Put your fingers in the pockets and now you're ready to use.

**Instructions to use your chatterbox:**

1. Ask someone one of the questions on the outside. The answer should be a number.
2. Open and close the chatterbox the amount of times from the answer above.
3. Then ask them to choose a number 1-4/5-8 and then ask that question.
4. Lift up the question to reveal the answer.

**Instructions to make your chatterbox:**

1. Add your own questions to the outside triangles and add answers to the triangles within the diamond.
2. Cut out the black square
3. Fold the square in half lengthways and across the middle.
4. Turn the square over so the writing is facing down. Fold the four corners in to the middle.
5. Turn the square over again and fold the new four corners into the middle.
6. Fold in half so the questions face in
7. Put your fingers in the pockets and now you're ready to go.

**Instructions to use your chatterbox:**

1. Ask someone one of the questions on the outside. The answer should be a number.
2. Open and close the chatterbox the amount of times from the answer above.
3. Then ask them to choose a number 1-4/5-8 and then ask that question.
4. Lift up the question to reveal the answer.
